## A Place to Turn To

During this time of uncertainty in our world there is one place the community knows they can turn to for help, comfort, and support. The Boys & Girls Club of Stamford takes great pride in providing many services to all youth in the community at the lowest cost possible. The areas of after-school programming we focus on are Education and Career Development, Character and Leadership Development, Health and life Skills, The Arts, and Sports, Fitness and Recreation. With more families having to work extra hours to support themselves we are here to help and allow everyone to feel that they have a safe and enriching environment for their children to grow and flourish in. We are open from 2:00 p.m. until 8:00 p.m. Monday thru Friday, 9:00 a.m. until 12:00 p.m. on Saturdays, with special teen nights until 9 p.m. on Thursdays. We strive to be there when your children need us most, reinforcing our mission of inspiring and enabling all youth to reach their full potential as productive, caring and responsible citizens. All children ages 6 to 18 are welcome to join the Club for an annual after school membership fee of \$100, scholarships are available to those who qualify. The Boys & Girls Club of Stamford offers scholarship program opportunities.; Please contact Jeff Pytlak, Program Director for additional information.

THE CITY THAT HELPS 2009

▲ Summer Camp is a great opportunity for our members to make new friends and memories! From the left Cori Davis, Jaden Depree, Meilanie Sawyer, Stephanie Bajus, Miyah Rosa

▲ With many activities always going on in the field 14 year old Club Member Richard Jeter was able to get in a practice swing

▲ Art time is a Club Favorite for these members

### Volunteer Opportunities

The Boys & Girls Club of Stamford is successful because of the many volunteers who donate their time to helping the community. Whether you are a corporate volunteer or an individual, your support is always welcomed and needed. There are several areas in which you can help; programming, facilities, and special events.

**For volunteer opportunities please call Nona Snyder at 203.324.0594**

Staff from PriceWaterHouseCoopers using their volunteer day to help out with our end of the year picnic. The end of the year picnic included a carnival, face painting, bouncy house, a cookout, and tournaments. The members had a great time interacting with the staff from PWC.

## MISSION

To enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.

# Board of Directors

*The Boy & Girls Club of Stamford would like to thank our Board of Directors for their continued service to the youth in our community.*
